

#ReadIndieForward

Dear Reader,

Surprise! You've received some very special book mail from a loved one who participated in **#ReadIndieForward**.

#ReadIndieForward is a pay-it-forward movement that supports local, independent bookstores and encourages friends and family to share books with one another.

It's easy to do:

- **Purchase a book from your favorite independent bookstore**
- **Send that book to a loved one**
- **Post about it on social media with #ReadIndieForward** (tag who's getting the book and the bookstore too!)
- **Encourage them to join you and #ReadIndieForward**

Learn more about the #ReadIndieForward movement at readindieforward.com.

Happy reading!
